GROWING YOUR  
BUSINESS PROFITS  
NO RESULTS - NO CHARGE!

# BCM Client Services

## Cost Reduction

BCM reduces the cost of supplies and overheads for medium to large sized businesses. Profits are lost in these cost categories and BCM experts are very proficient at uncovering non competitive rates, supplier overcharges, waste, lack of control, process improvements, etc.

## eTendering Services

BCM provides this service mainly for state and semi-state bodies. Such bodies are required to abide by procurement guidelines that ensure transparency, value for money and fairness in all state procurement projects.

## Business Franchising

Has your business moved beyond the start up stage? If so, you should think about franchising your business either nationally or internationally. This is a fast and cashflow positive way to expand. BCM are franchising experts...

## Revenue Growth

BCM grows revenues for small to medium sized businesses. SMEs generally have difficulty growing revenues through lack of resources or lack of expertise. BCM provides both and typically will **DOUBLE** your business revenues over the course of our engagement...
